I have reviewed the school manual (available on the school website at <http://www.cornerstonechristianacademy.us/enrollment-information.php>) and I have had an opportunity to ask questions related to it. Being aware of the expectations of the school and my responsibility to support them, I officially request that my child be enrolled in Cornerstone Christian Academy. I also give the school personnel, authority to enforce those expectations by means described in the manual or other means that are similar to those described. I also understand that this application will not be accepted without payment of the non-refundable \$300 registration fee (\$100 for additional children). I also agree to pay all tuition in a timely fashion. I agree to pay all penalties added to my account if I am late on tuition payments. I give CCA permission to send information about any tuition balance due, to future schools, should I withdraw my child from CCA without paying all tuition. I confirm that the information given above is true and complete, to the best of my knowledge. I understand that any false or misleading statements given will be grounds for immediate dismissal of my child.

TUITION SCHEDULE

Please review the tuition schedule and payment options provided below.

	A. Fixed Cost/Child	B. Fundraising Fee	C. Tuition Per Child	D. Annual Registration Fee	E. Total Tuition and Fees
First Child (K-12)	\$3,345.00	\$1,100.00*	\$4,445.00	\$300.00	\$4,745.00
Second Child (K-12)	\$2,925.00	\$600.00*	\$3,525.00	\$100.00	\$8,370.00
Third Child (K-12)	\$2,665.00	\$550.00*	\$3,215.00	\$100.00	\$11,685.00
Fourth Child (K-12)	\$2,665.00	\$550.00*	\$3,215.00	\$100.00	\$15,000.00

Please note: The school board approved an increase on the Fixed Cost Tuition . This new tuition still leaves us significantly below the median for the west side of Rochester, especially as you take advantage of the reimbursement available through your fundraising efforts. Each family has the option to choose their level on fundraising involvement.

(Ask about our 15% **pastoral discount** for ordained ministers currently serving in the ministry and our **military discount** for active military families.)

All registrations completed after August 1, will be required to pay the registration fee and the first month's tuition at the time of enrollment.

TUITION PAYMENT OPTIONS

The tuition rates above are in addition to the non-refundable registration fee of \$300 for the first child, and \$100 per child for any additional children. The fee is due at the time of registration. A registration is not considered complete until the registration fee is submitted.

For the 2019 - 2020 school year, we have chosen the following payment option:

#1. Our family will make advance payment in full.¹

On or before March 10, 2019 Tuition (column A only) discounted 3%

Between March 11 and April 10, 2019 Tuition (column A only) discounted 2%

Between April 11 and May 10, 2019 Tuition (column A only) discounted 1%

Between May 11 and August 1, 2019 No tuition discount will be offered

#2. Our family will make monthly payments via FACTS Tuition Management Services. For more information, or to sign up, visit <http://www.cornerstonechristianacademy.us/tuition.php>.²

¹ Tuition discounts apply only to the tuition amount listed in column A of the tuition schedule. Fundraising fees are not discounted.

² Monthly payments through FACTS will be considered the default payment option if advance payment is not selected at the time of registration. Each month the family would be billed for 1/10th of the total tuition and fees listed in column D of the tuition schedule.

Fundraising Policy

Along with the fixed tuition, families also pay the reimbursable *fundraising fee listed in column B of the preceding tuition schedule. Many of our families recover at least a portion of their fundraising fee.

Each family pays the applicable fundraising fee throughout the year as part of the tuition. Families participating in the various fundraisers receive a percentage of their fundraising efforts toward the fee (e.g., 50% of candy bar gross sales). Provided a family's tuition is paid in full, including the fundraising fee, the family's share of their fundraising efforts, up to the amount of the fee, will be offered to the family as a reimbursement of the fundraising fee. It also can be donated, as a whole or in part, back to the school. Any fundraising credits exceeding a family's fundraising fee will go entirely to the school.

Credits to future years' tuition, refunds, and donations are processed at the end of each school year.

Example 1:

The Doe family paid \$1,700 for their family's fundraising fee. They sold \$1,000 worth of candy bars, and they were credited 40% of their sales toward their fundraising fee (\$400). They also raised \$5,000 in golf-a-thon sponsorships, which were credited at 80% toward their fundraising fee (\$4,000). Because their tuition was paid in full, including the fundraising fee, they were eligible to receive a \$1,700 reimbursement. The fundraising credits in excess of their fee directly benefitted the school, which helps to keep tuition low for all students.

Example 2:

The Jones family paid \$1,700 for their family's fundraising fee as well. They sold \$100 worth of candy bars, and they were credited 40% of their sales toward their fundraising fee (\$40). They also raised \$1,500 in golf-a-thon sponsorships, which were credited at 80% toward their fundraising fee (\$1,200). Because their tuition was paid in full, including the fundraising fee, they were eligible to receive a \$1,240 reimbursement.

Annual Statements

At the end of the year each family will receive a statement of how much they raised toward their target net profit, (\$1100 for one student, \$1700 for two students, etc.). At that time each family decides between the following three options:

1. Receive the reimbursement in full.
2. Donate part, or all, of the reimbursable amount to the school.
3. Apply part, or all, of the money to their unpaid tuition balance, including future years' tuition.

Your fundraising efforts directly benefit your own family's overall enrollment costs, however all families have the option not to participate in each fundraiser.
