

SAFETY PRECAUTIONS THAT WILL BE ENFORCED DURING COVID-19 FOR ALL WHO ENTER THIS FACILITY

1. ALL entrants must have filled out the **“QUESTIONNAIRE FOR ALL WHO ENTER OUR BUILDING DURING COVID-19 TIME”** prior to entering the building for the first time.
 - A. Anyone who previously completed that form but who has had a change in status, should notify the school of such changes.
2. ALL Staff, Students, and Visitors **MUST** wear a mask upon entry and in all common areas of the school. This will be strictly enforced.
 - A. ALL masks must cover both mouth and nose.
3. ALL entrants will have their temperature taken before moving past the entryway. This will be strictly enforced.
4. Please limit surfaces you touch as that will help us reduce the risk of spreading the virus between disinfecting treatments.
5. While you may not agree with masking and other precautions, please remember that others have health conditions that cause them to be very concerned.
6. We want the students to be mask-free during class time. To that end, we have either arranged the rooms to maintain a six foot distance between desks, or we have build dividers with plastic walls to prevent the spread of the virus.
