MUSIC LESSON REGISTRATION FORM

We are ready to assign our music lessons for this new school year. We are also excited to announce that this year we have some new possibilities to offer!

Each music lesson will be ½ hour in length, offered once a week, at non-instructional times when at all possible. Each lesson is \$20, paid weekly, made out and given to the teacher at the weekly lesson. These teachers depend upon the weekly checks for their own personal budgeting, so please be sure to include them in your child’s folder each week and do not send them to the office, as we only see these teachers once a week. Note that if the child is absent or forgets a lesson or instrument, this impacts the teacher’s weekly salary. Please, if they make the commitment to be present to teach your child, consider the commitment you make to pay them.

Mrs. Marsha Borys will again be our piano and voice teacher.

Mr. Mark Hull will be joining us to teach woodwinds (includes flute), brass, and percussion.

Mrs. Jenny Honan will be teaching all stringed instruments as well as beginning guitar.

We are preparing to begin lessons the week of September 12th. Please return this registration form to the school office by Friday, September 9th. As many of you have already responded to the previous email about lessons for your child, unless circumstances have changed from that response, we will assume that your child should be scheduled. If you responded with a remark that made it clear you are still in the process of deciding, a lesson time will not be scheduled until we hear for sure.

Please fill out the form below and send back to the office or reply to the email as soon as you can. The schedule can be quite complex as we attempt to schedule each student during a non-teaching time for their grade, in each of the classes. The quicker we have the information on all music students, the easier that is to accomplish and the likelihood is greater that students will be assigned the most appropriate lesson time. We will do our best, but those who sign up first will receive the greatest opportunity for securing the needed slots. Please do not delay.

Thank you all for your help!
